

Description of RJMI's Lecture "The Persecution of Carrie Prejean Boller by Trump and Other Zionists"

By Richard Joseph Michael Ibranyi

This is the description of my lecture The Persecution of Carrie Prejean Boller by Trump and Other Zionists. ([Video](#) – [Audio](#)). It was done on 10/11, 10/18, and 10/25, 2026. It can be accessed in the *Apostate Judaism and Zionism Conspiracy* page or the *USA Political* page or click on above links.

President Trump appointed Carrie Prejean Boller to the Religious Liberty Commission, which he founded in on 5/1/2025.

During the fifth hearing of the commission on 2/9/2026, Carrie professed the Catholic dogma that the Catholic Church condemns Zionism. She asked the members of the commission if they believed that was antisemitic and thus that the Catholic Church and Catholics were antisemitic for holding this dogma. They said yes! And they based it upon the IHRA's Working Definition of Antisemitism that Trump passed by an executive order on 12/11/2019.

Carrie made the point that condemning Zionism does not equate to hating Jews and thus cannot be considered antisemitic in the true sense of the word. Carrie also defended Candace Owens and Tucker Carlson who were also falsely accused of being antisemites.

Dan Patrick, a Christian Zionist and head of the commission and lieutenant governor of Texas, tried to remove Carrie from the commission because she professed this Catholic dogma, but she would not step down, as only Trump had the power to do that. Well, Trump ended up removing her from the commission in a letter she received from the White House on 3/12/2026. And after that, Carrie rightly condemned Trump and declared that this is yet another death blow to MAGA, those who think Trump is going to *Make America Great Again*. She said, "MAGA is dead."

It is ironic that Carrie was denied her religious liberty on the very religious liberty commission that Trump set up to protect the religious liberty of all religions and people.

This is just more proof of what I said many times: There has never been religious liberty from the founding of the USA in 1776 for true Catholics or anyone who professes Christian dogmas that the Christ-denying Jews and Freemasons (who control the USA) do not like.

Only when Catholics became corrupted by the heresy of Americanism and thus became nominal Catholics were they allowed to have religious liberty and ascend to high positions of power. One proof of this is that it was not until 1960 that the USA got its first so-called Catholic president, John F. Kennedy. And he was not a true Catholic. They let him become president because he was a nominal Catholic and was sufficiently Americanized. For example, during his presidential campaign in 1960 in his 1960 address to the Greater Houston Ministerial Association, John F. Kennedy famously declared: "I am not the Catholic candidate for President. I am the Democratic Party's candidate for President, who happens also to be a Catholic." And he denied the Salvation Dogma. He believed that men who die as non-Catholics can be saved.

Carrie was persecuted not only after the commission meeting on 2/9/2026, but also before it. The Zionists tried to prevent her from condemning Israeli's unjust genocide of Palestinians in Gaza, from condemning Zionism, and from condemning the dispensationalist heresy, which states that

the Old Covenant is still in effect and thus was not replaced by the New Covenant. But she did not cave in.

Paula White was one of the main persecutors of Carrie. She is Trump's number one religious adviser. She is a Christian Zionist and so-called pastor. She is a demonically possessed charlatan, a witch pretending to be a Christian, not to mention a clown and a buffoon.

Two nominal Catholic bishops who were on the commission, Baron and Dolan, did not show up for the meeting on 2/9/2026. They knew what Carrie was going to say and steered well clear of it. When Carrie asked for their support after the meeting, Dolan did not even answer her and Baron condemned her. The very ones that were supposed to defend her did not. They are apostate bishops, wolves in sheep's clothing. This is just more proof of the Great Apostasy among nominal Catholics.

To his credit, the nominal Catholic Bishop Joseph Strickland defended Carrie. And the nominal Catholic General Michael Flynn and some others also defended Carrie.

Carrie Boller and Candace Owns are also nominal Catholics, who recently converted from Protestantism. It is my hope that they and other nominal Catholics like them will wake up and get out of the Vatican II Church, which is not the true Catholic Church. The Church they belong to condemns them and others like them who uphold Catholic dogmas that it denies. By remaining in that Church, they share in the guilt of its heresies for remaining in religious communion with them. For example, here is a list of some of the many heresies held by the Vatican II Church that they belong to:

- The Dispensationalist Heresy that the Old Covenant is still in effect.
- The heresy the Christ-denying Jews are under a covenant with God.
- The heresies that Christ-denying Jews are God's chosen people and are elder brothers to Christians.
- The heresy that Christ-denying Jews and Moslems believe in and worship the one true God.
- The heresy of Zionism that Christ-denying Jews have a right to Israel.

Carrie Boller and Candace Owens and others like them seem to be on the same journey that I was on when I wanted to enter the Catholic Church in the 1990s. It was a long and hard road for me. But it does not have to be that long and hard for others.

The work God has given me in the past thirty years, which are on my JohnTheBaptist.us website, will make it very easy to enter the true Catholic Church and help you to become a good Catholic. You will be spared all the idolatries, heresies, immoralities, contradictions, lies, evasions, and cowardness of all the nominal Catholic sects and churches. Stop looking elsewhere, I am the only one in the world who is teaching the full deposit of the Catholic faith and living by and enforcing it.

To learn a little about my journey into the true Catholic Church, I ended this lecture with a thirteen minute clip from my lectured [Fear of the Jews](#), which I gave in 4/2010.

For the glory of God; in honor of the Blessed Virgin Mary, St. Michael, St. Joseph, Ss. Joachim and Anne, St. John the Baptist, the other angels and saints; and for the salvation of men
