CITY OF TRUTH OR CONSEQUENCES MUST REPENT: PART 18

Notice To Agent Is Notice To Principal – Notice To Principal Is Notice To Agent – It is not the function of our elected-appointed servants to keep 'We the People' from falling into error, it is the function of 'We the People' to keep or elected-appointed servants from falling into error!

Bonds are bondage! Perpetuating bonds is perpetuating slavery! Christendom is not to be in bondage and yoked to absurdities that lead to atrocities of the indoctrination-mutilation of children in public education K-12 and 'all' city bonds and borrowing! A good education is a classi-

cal education! New Mexico hasn't delivered! Sierra County didn't remove school taxes along with many other clerical errors! Why not?

People! All the assumptions, presumptions of debt slavery are objectionable and rebuttable! Object and Rebut!

Child kidnapping and trafficking by CPS, CSD, or DHR workers in cohorts with courts (attorneys and judges) and all making a profit from these heinous crimes and trafficking are inland piracy-slavers.

Since 1933, beginning with the confiscation of our gold and allodial property, rather than "secure" our Right to Life, Liberty and the Pursuit of Happiness, our government employee(s) persistently and systematically reduced our standard of living! They have bastardized our judicial system

with statutory law, replacing the common law and protections! Stop them!

"Power and law are not synonymous. In truth they are frequently in opposition and irreconcilable. There is God's Law, from which all equitable laws of man emerge and by which men must live if they are not to die in oppression, chaos and despair. Divorced from God's eternal and immutable law, established before the founding of the suns, man's power is evil no matter the noble words with which it is employed or the motives urged when enforcing it. Men of good will, mindful therefore of the law laid down by God, will oppose governments whose rule is by men, and if they wish to survive as a nation they will destroy the government which attempts to adjudicate by the whim of venal judges." –Marcus Tullius Cicero 106-43 B.C.

More to come!

FOR SECULARISM

I just saw the screed that William Norris unleashed in this paper a while back, personally attacking Barbara Pearlman for stating the obvious: that most local voters, whether Republican or democrat, are not religious fanatics. Whether Norris wants to

believe it or not, our country was established as a secular nation. Our founders made it clear that they had had enough of the rule of "the priests," as they put it.

If Mr. Norris wants to believe that God hates gays, for example, that's his business. But to expect our public schools to promote his odious belief is crazy.

This assault on our established understanding of what education really means is part of a nation wide effort by fanatics to replace democracy with theocracy.

This is faux religion and faux patriotism. As Sinclair Lewis, the American novelist, wrote in the 1930s, "When Fascism comes to America, it will be wrapped in the flag and carrying a cross."

Teachers are resigning from their positions in Florida at an unprecedented rate because they are hampered by laws that limit their ability to teach their facts to children. We don't want it here.

I suppose Mr. Norris also, like Governor DeSantis does not want our children to be exposed to the truths about our history. He wants our kids to grow up ignorant and stunted.

Our young people are not stupid. They can tell when adults demean them by not trusting them with a real education.

Barbara Pearlman has served with distinction on the board for four years. She taught in Sierra County schools for 25 years. She has impeccable credentials. She will continue to work for students, teachers and parents to educate our youth to be well rounded, well educated, discerning individuals.

I invite readers to review the answers to the questionnaire Ms. Pearlman submitted to the Sentinel. I believe that the majority of our fellow citizens would agree with the views she espouses.

Let's prepare our children for the challenging future they face.

Vote for Barbara Pearlman to the Sierra County School Board. Every vote counts!

FREEDOM OF SPEECH FOR CHRISTIANS IS UNDER ATTACK IN PUBLIC SCHOOLS

The liberals say they believe in freedom of speech for everyone,

but they want to take that freedom away from Christians who do not want their children to learn that LGBT is good or normal, but instead want them to learn that it is evil, sinful and abnormal.

But there is a greater question. Does freedom of speech mean men can say and teach whatever they want? Should freedom of speech include teaching children that it is good and normal to rape women and children, to steal, to murder, or to commit adultery? I am sure the vast majority of you would say, No!

But then, if you want to be consistent, you would have to say that freedom of speech does not apply to all speech. But the question, then, is how to determine what speech should not be allowed? By what law should certain speech be banned? If you have no such law, then it is a free-for-all for raping, stealing, murder, adultery, homosexuality, etc.

That law is the natural law that God puts in the hearts of all men: "For when the Gentiles who have not the law, do by nature those things that are of the law, these having not the law are a law to themselves. Who shew the work of the law written in their hearts, their conscience bearing witness to them and their thoughts between themselves accusing or also defending one another," (Rom. 2:14-15)

And that is why teaching that LGBT is good and normal must not be taught to children or even to adults, because the natural law condemns it, just as it condemns rape, stealing, adultery, and murder. And these things are also condemned by God's Ten Commandments.

Even though I condemn those who are LGBT, I still truly love them and pray for their conversion. Please see my book, God Did Not Create Men to be Homosexuals at http://www.johnthebaptist.us/jbw_english/documents/books/rjmi/br16_not_create_homosexuals.pdf
