This lecture teaches about how and why the Blessed Virgin Mary was conceived without original sin, which is known as the Immaculate Conception, the second greatest miracle of all time.

12/8/15 - New RJMI audio lectures:

- **In Thanksgiving For and To the Blessed Virgin Mary**

In this lecture I give thanksgiving first to God for giving the Blessed Virgin Mary all the graces and other helps she needed to be conceived immaculate and thus without the stain of original sin and without the concupiscence of the flesh and then to live a sinless, holy, and perfect life. I also give thanksgiving to Mary herself for using her freewill to cooperate with God's grace and other helps most perfectly so that she never committed a sin in her whole life. She obeyed and loved God as much as any creature could. God, in His all-knowing mind, knew

how great Mary would be even before she existed and thus granted her the miracle of the Immaculate Conception.

- **The Blessed Virgin Mary Was Not Raised in the Temple**

This lecture refutes the erroneous opinion of the Presentation of the Blessed Virgin Mary in the Temple, which states that Ss. Joachim and Anne presented their holy infant Mary to the Temple and left her there to be raised. It also explains why we of Mary's Little Remnant celebrate the Purification of the Good St. Anne instead.

10/28/15 - New RJMI article:

- **Syria, Moslems, and Refugees**

10/23/15 - New RJMI audio lecture:

- **Health Insurance in the USA**

The USA’s Health Insurance plan for its citizens is one of the worst in the world. Obamacare did not solve the problem. This lecture speaks of the good things in Obamacare and the bad things and that it must be rejected because the overall effect is disastrous to the middle class and will make the insurance companies even more rich than they already are. I also give the only solution to the healthcare crisis in the USA, considering that the USA is capitalistic, greedy, and corrupt.

10/9/15 - New RJMI article:

- **Rules for Mary’s Little Remnant**

This four-page article is composed of the Mary’s Little Remnant’s rules that are listed at the beginning of our *Mary’s Little Remnant Catholic Calendar*.

10/9/15 - New RJMI article:

- **Catholics Cannot Take the USA Pledge of Allegiance or Serve in USA Military**

This four-page article was a two-page letter. The article contains more evidence. It shows how the USA’s Pledge of Allegiance, Declaration of Independence,

Constitution, and Military Oaths are heretical and how its military is immoral.

- **Homosexual Conspiracy**

New video added to this page:

- **Zimbabwe President Mugabe: "We are Not Gays"**

Also added all the RJMI videos, audios, and writings against homosexuals to this page.

10/2/15 - New RJMI audio lecture:

- **Moslems Invade Europe**

Moslems from North Africa and the Middle East are invading Europe without a gunshot being fired. This is a punishment to Europe because of its apostasy from the true Catholic God, Catholic faith, and Catholic Church. It also proves how weak and effeminate most of the Europeans have become. One country that is not as evil as the rest regarding this matter is Hungary. The mass influx of Moslems into Europe is causing the European countries to lose their national, racial, and nominal Christian identity.

Most of the refugees coming into Europe are economic refugees and thus have no valid claim to temporarily relocate. Only the refugees that are in danger of death have a valid claim to temporarily relocate. However, most if not all of the refugees are rebellious and disobedient to the countries they enter. They want to go where they want to go, live where they want to live, do what they want to do, and work where they want to work. No refugee has a right to demand such things. They should be happy to be given food and board in a minimum security camp. The economic refugees should be sent back, and the refugees who are in danger of death should be sent back once it is safe for them to return.

The USA and other Western powers are the main cause of this refugee crisis because they destabilized by war North Africa and the Middle East, such as Saddam Hussein's Iraq and Muammar Gaddafi's Libya, which serves the purpose of the Antichrist and the Zionist Jews. When the organized and unified anti-Israel and anti-West governments in these areas are removed and civil war and chaos ensue, they will no longer be a danger to Israel and will be easy to conquer when the time comes. They will also accept putting into place a government that is pro-Israel and pro-West. Because this has not succeeded

according to plan, the next best thing is to destabilize these areas with the bonus of Moslem refugees invading nominal Christian Europe. That is why I say that the Zionist Jews are more pleased with destabilizing these areas because of the effect it is having on Europe.

While the USA pretends to be fighting an all-out war against ISIS (aka ISIL or Daesh), it is only fighting a partial war against it in Iraq while supporting it in Syria so that ISIS may help in overthrowing Bashar al-Assad's government. Hence the so-called moderate rebels in Syria whom the USA is supposed to be training to fight against ISIS failed because the USA wanted them to fail. Instead, the moderate rebels the USA is seriously training and equipping are the ones that are fighting against the Assad government. Putin's Russia knows this and thus is rightly coming to the aid of the Assad government and rightly carrying out a full war to protect Assad's legal government and to fight against ISIS and other terrorists. That is what will bring back stability to Syria, the stability it had until the Zionists, USA, and other Western powers instigated and supported the rebellion.

Another big USA lie is that it blames the civil war in Syria on Assad. Yet there would be no civil war if the USA did not instigate, encourage, and support the anti-Assad rebels in Syria.

Lastly, Assad must have done something very good because the Zionist Jews, Freemasons, USA, and other Western powers adamantly and vehemently oppose him. For one, he has an organized and unified government that is not pro-Israel and not sufficiently pro-West and thus can be a threat to Zionist Israel, just as Iran is. Before the Antichrist comes to power, he wants to remove any credible opposition and thus make it easy for him to come to power in one day.

9/18/15 – New RJMI audio lecture:

- **Against Albert the Great Wretch**

This lecture is taken from a chapter in my upcoming book *The Hellenization of Christianity by the Anti-Church Fathers and Scholastics*. It reveals crimes of the apostate Albert the Great Wretch that most people do not know about: 1) His apostasy of glorifying philosophy in all the three ways; 2) His glorification of mythology and its false gods; 3) His idolatry for believing that astrology, stones, and astronomical and mythological images have power to affect creatures and events; 4) His idolatry and sinful divination for making a diabolical automaton (a golem); 5) He was cursed with madness and insanity before he died. One of his crimes that most people *do* know about but are also guilty of is Albert's glorification of philosophers and their philosophies.

8/29/15 – New RJMI audio lecture:

- **The Real Holocaust of World War II**

The real holocaust of World War II was not Germans killing six million Jews in a Holocaust, which never happened, but the unjust killing, raping, and torturing of millions of Germans by the apostate Jews, Freemasons, Soviets, and other Allies – not just near the end of the war when they murdered hundreds of thousands of German citizens but *after* the war when they raped, tortured, and

murdered hundreds of thousands of Germans. My grandfather, grandmother, father, and aunt were personal witnesses of the Soviet atrocities that occurred in Hungary. This is a part of history that has been hidden to make the USA, who pretends to be a lamb but is actually a dragon, and the other Allies look just, righteous, and humane. Hitler's treatment of prisoners was very humane and according to the Geneva Convention; whereas the opposite was the case regarding the Allies. This lecture can serve as an introduction to the documentary titled *Hellstorm*, which can be accessed on my website at "Politics: Hitler's Germany."

8/29/15 - New page added to the Sidebar Menu:

- **Politics**

Also added all the RJMI videos, audios, and writings on Adolf Hitler to this page.

8/22/15 - New RJMI book:

- **Apostate Hitler's Sins and Non-Sins**

This 119-page book gives evidence of apostate Hitler's mortal sins of idolatry, heresy, and schism. Hence he was a nominal Catholic (Catholic in name only). It shows that none of the so-called Catholic prelates (who were actually apostates) ever condemned any of Hitler's heretical or idolatrous works and speeches nor did they denounce him as an idolater and heretic, as they were obliged to do. That is because they either held the same idolatries or heresies or were non-

judgmentalists. This book also shows that most of the sins Hitler was accused of committing were not sins at all but good things; and some of the real sins he was accused of, he never committed. This book contains many of the good things Hitler said and did that got the whole world angry at him down till today. Even though Hitler was a monster, he was a much lesser monster than the Allied leaders who committed worse sins against the faith and who committed massive and gross sins of immorality. Hence Catholics and other men of good will were obliged to side with Hitler and the other Axis powers during World War II to fight against the Allied powers. A Catholic's duty would have been to denounce Hitler as an apostate and thus not be in any kind of religious communion with him while obeying his non-sinful secular laws and commands.

8/14/15 - Major Revision of RJMI book:

- **Woe to You Who Call Evil Good!**

Additions and revisions have been made to this book. This book exposes the plots and plans of the apostate Jews and Freemasons in attacking the Catholic Church and faith and bringing the Antichrist to power. A few additions are pictures of Winston Churchill as a Druid and a Freemason and Franklin Roosevelt as a Freemason. Also, along with the many good things Hitler did, I added fifteen mortal sins he committed against the Catholic faith and one mortal sin of schism. Hence Hitler was an apostate and schismatic. Nevertheless, as this book proves, he was the lesser of evils compared to the Allied leaders. My new book *Apostate Hitler and His Sins and Non-Sins*, which should be posted soon, will go into more detail regarding this.

8/7/15 - New RJMI audio lecture:

- **An Explanation of Isaias 25**

Isaias Chapter 25 speaks of the Second Coming of Jesus Christ, His destruction of all evildoers and evil nations by fire, His protection of the Elect (good Catholics), the necessity of patience to be saved, and the purified earthly paradise in which there will be no more sin, sinners, or any kind of evil and in which Christ will rule as the King of kings and the Blessed Virgin Mary as the Queen of queens.

7/31/15 - New RJMI audio lecture:

- **RJMI Update 7-26-2015**

I speak about Vimeo banning our videos. I am adding two sections to my

Hellenization of Christianity book that deals with Scholasticism and other humanists and hence the book is delayed. The new title is *The Hellenization of Christianity by the Anti-Church Fathers, Scholastics, and Other Humanists*. I completed a new book titled *Apostate Adolf Hitler's Sins and Non-Sins*. It is being edited and will be posted soon, along with my book *Woe to You Who Call Evil Good!* which has been greatly revised.

7/24/15 - New RJMI audio lecture:

- **The "Hail Mary" Prayer Is in the Bible**

This lecture proves how the Catholic "Hail Mary" prayer is actually in the Bible. Protestant heretics and other bad-willed people who read even their heretical Bibles and refuse to honor Jesus' mother Mary by rightfully calling her the "Mother of God" and "blessed among women" are dishonest and shameful hypocrites.

7/20/15 - RJMI Update:

Because many of our videos have been banned by YouTube, we uploaded the

banned videos to Vimeo. Several months back, Vimeo also began banning our videos and deleted our first account. Now as of 7/20/15, Vimeo has again banned us from their server, deleting all our videos and our second account. The Vimeo Staff emailed us the following excuse:

“Vimeo does not allow videos that harass, incite hatred, or include discriminatory or defamatory speech.”

We are now in the process of uploading our videos on another server. In the meantime you will notice many of our videos have broken links.

7/10/15 - New RJMI audio lecture:

- **The Pro-Homosexual, Anti-Slavery, Black Racist Obama Is Anti-Bible**

This lecture condemns President Barack Obama for his promotion of homosexuality, anti-slavery, and black racism. It points out the hypocrisy of liberal black pastors who pray with and praise Obama as opposed to the conservative black pastors who correctly condemn Obama. Obama ignores the massive crimes blacks commit while he condemns most white people as racists for the very few crimes that whites commit against blacks, and thus he is a black racist. Good-willed black people know that most of the crimes are committed by blacks, not just black-on-white crimes but also black-on-black crimes. This lecture also teaches that God ordains slavery for just causes and that slaves must not seek to evade slavery by unjust means and before God ordains that they should be freed. This lecture shows that the black slaves in Southern USA were unjustly freed from slavery by the liberal Northerners who placed them in a spiritual slavery – a slavery worse than the physical slavery they were under down south. Instead of being freed from slavery by God and in God’s time, they were “freed” from slavery by Satan and in his time and thus were free to sin with impunity and hence are still slaves, spiritual slaves. It also points out the unjust persecution of the Confederate flag and the hypocrisy of this persecution. The USA flag and Israeli flag unjustly oppress many more people, nations, and races than did the Confederate flag.

6/26/15 - New RJMI audio lecture:

- **Idols vs. Images**

Although God forbids idols, as stated in the First Commandment, He does not forbid holy images but instead decrees that they should be set up and venerated. Revelations in the Bible contain these dogmas, which were infallibly defined by the Catholic Church. One example of a holy image is the two Cherubims

(images of two holy angels) that God ordained to be set up in the Holy of Holies over the Ark of the Covenant. God also ordained that pictures and statues of lions and oxen and cherubims be set up throughout the holy Temple. It is also common sense that all images are not evil, such as images of loved ones. There are three ways in which images are idols.

6/13/15 – New RJMI audio lecture:

- **The Horse That Ran Like the Devil**

This is a true story of a horse named American Pharoah [sic], owned by the Orthodox Jew Ahmed Zayat and ridden by the nominal Catholic jockey Victor Espinoza. This horse won the Triple Crown, the first horse to do so in 37 years, with the help of the Devil. Victor Espinoza bragged about how he got a blessing from a Lubavitch Orthodox Rabbi before the Preakness (the second race of the Triple Crown), which he says gave him great power and caused him to win. He then went to the gravesite shrine of the Lubavitch Rabbi Menachem Schneerson (aka the Rebbe), who is believed to be the Messiah by these Jews and many others, to get a blessing in order to win the Belmont Stakes and thus win the Triple Crown. Guess what – he won! This should come as no surprise to Catholics because true Catholics know that power was given to the apostate Jews to bring their Messiah, who is actually the Antichrist, to worldwide rule. This event makes the Lubavitch Jews and their so-called Messiah Menachem Schneerson look “blessed” in the eyes of the world. This lecture also deals with how the Devil manipulates sports and other things if God allows it and how God also intervenes. More proof that American Pharoah is a Devil’s horse is that its Jewish owners and others associated with the horse promoted Monster Energy products by wearing its ם (Vav) symbol, which is the number 666 in Hebrew.

6/5/15 – New RJMI audio lecture:

- **Israel and USA Hijack FIFA**

Yet again, the Harlot USA came to the aid of the Antichrist Israel by punishing FIFA (the International Federation of Association Football) for considering a ban on the Israeli soccer team because of apostate Israel’s unjust treatment of and apartheid behavior toward the Palestinians. The Harlot reached out over the ocean and had 14 FIFA members illegally arrested in Switzerland. Not only were the arrests illegal but they were also hypocritical. And, of course, the main reason for the arrests was not mentioned.

6/2/15 – Additions made to RJMI video and audio lecture:

- **Conspiracies of the Jews**

Additional chapter section added to Part 1:

- ◆ **Hitler's sins**

This section explains that although Adolf Hitler did many good things, not *everything* he did was good. This chapter contains a list of Hitler's main sins. This section also exposes some of the lies that were told about Hitler and explains that he was the lesser evil of all the rulers in the world during his day.

Additional chapter sections added to Part 2:

- ◆ **They replaced the Passion of Christ and the Holy Mass with the "Holocaust"**

This section contains an excerpt from the RJMI video lecture *Strange Voices*, Part 2, and provides evidence of how the Apostate Jews have attempted to replace the Passion of Christ and the Holy Mass with their false "Holocaust."

- ◆ **There were no homicidal gas chambers at Auschwitz**

This section contains excerpts from videos by David Cole and Frederick Leuchter, two holocaust deniers, who present evidence that there were no homicidal gas chambers at Auschwitz.

5/19/15 - New RJMI audio lecture:

- **The Messiah Comes into the Second Temple**

This lecture shows that the Old Testament prophets Aggeus, Zacharias, and Malachias prophesied that the Messiah would come into the Second Temple and that He would be both man and God. Indeed, Jesus Christ, God from all eternity and man from the time of His incarnation in the womb of the Blessed Virgin Mary, is the Messiah who came into the Second Temple and thus made it more glorious than the First Temple. Old Testament prophets also prophesied that the Second Temple would be destroyed because most of the Jews will not accept Jesus Christ as their Messiah. Hence the "Messiah" that the apostate Jews are waiting for is the Anti-Messias, the Anti-Christ.

5/16/15 - New pictures from 2015 added to "Picture Gallery of MLR Good Sixth Weekday Processions" on the "Pictures" menu.

5/13/15 - New RJMI video and audio lecture:

- **Conspiracies of the Jews**

This two-part lecture shows how apostate Jews conspire to control the world in order to bring the Antichrist to power. It exposes several of their conspiracies. These conspiracies began in the first century when the apostate Jews denied Jesus Christ. St. Paul said he was "serving the Lord with all humility and with tears and temptations which befell me by the conspiracies of the Jews." (Acts 20:19) This lecture contains clips from several sources, especially from Marc Levin's Protocols of Zion and Yoav Shamir's Defamation. Here is a list of the sub-headings:

Part 1: The Jews control the world; The super-racism of the Protocols & Talmud; Marc Levin actually promoted the Protocols of Zion; Marc Levin & Yoav Shamir allow the opinion that Jews control the world; True vs. false anti-Semitism; Zionist illegal occupation; Apostate Jews obstruct their critics.

Part 2: Apostate Jews tell big lies; Their lies about Jesus & Christianity; Miscellaneous lies; Their lies about the "Holocaust"; Their lie that Hitler wanted to exterminate all the Jews; Hitler's Final Solution was emigration not extermination; Hitler favored baptized Jews in the Third Reich; Why so many Jewish "survivors"?; Humane conditions in German-controlled prison camps; The "Holocaust" was not practical or possible; No bodies or human ashes found in Treblinka; Jews & Gentiles starved from food shortages in the Third Reich; Buchenwald Hoax: Tattooed skin, shrunken heads, psychological warfare; Jews brainwash Jews with Holocaust lies; Apostate Jews & Freemasons behind the events of 9-11.

5/1/15 - New RJMI video and audio lecture:

- **Transgender Freaks**

From 4/21/15 to 4/25/15 the Jewish-Masonic controlled media in the USA bombarded the public with transgender freaks and presented them in a positive light. Not only are adult males trying to become females and adult females trying to become males, but parents are also trying to change their sons into daughters and daughters into sons – believe it or not! We call these freaks a "he-she" or a "she-he," or more properly an "it." This is not just immoral but heretical and blasphemous for pretending that God creates a person to be a male but gives him a female soul, or vice-versa. The real reason this happens is demonic possession in which the devil tempts a man to think and feel like a

woman, and vice-versa. And this temptation of the devil is aided by society's acceptance and promotion of this abomination instead of condemning it from the rooftops and not allowing any person to dare try to change his or her sex. In a good Catholic State, any person who would dare try to change his or her sex gets the death penalty. The intent of the media is to spread this unnatural, immoral, disgusting, revolting, putrid corruption among men. This does not happen by chance but by plan, a plan hatched by the devil, his Antichrist and the apostate Jews with the help of the Freemasons. This is just one more sign, along with homosexuals getting so-called married, that we are living in the Final Days.

4/16/15 - New RJMI audio lecture:

- **RJMI Update 4-12-2015**

This lecture is an update on all the great and good work that God has given us at Mary's Little Remnant. It speaks of my 2015 Resurrection season lecture titled *Conspiracies of the Jews*, which as of 4/16/15 is not yet posted. It speaks of my main books that expose the Great Apostasy, two of which still need to be completed and published; that is, *The Anti-Church Fathers and the Hellenization of Christianity* and *Faith before Signs and Wonders*. The completed books are *Canonizations Are Not Infallible*, *The Desecration of Catholic Places*, and *The Great Apostasy*. This lecture speaks of the main Catholic items that I am working on: the prayer book, the abjuration forms, the catechism, the Roman Missal, the Catholic Bible, the Roman Martyrology, and the hymn book. In this lecture I did not mention that I am also working on canon law and biblical chronology and the Divine Office. I speak of my ongoing process of correcting my past works. I speak of what non-Catholics must do to enter the Catholic Church and thus be in religious communion with Mary's Little Remnant. And it speaks of the Final Day conversions.

3/20/15 - Corrections to RJMI videos and audio lectures:

- **Hell, the Eternal Prison of the Damned (Vlr4/Alr77)**
- **On Judging the Dead (Vlr5/Alr78)**

I corrected the parts where I said that the Universal Salvation heresy was infallibly condemned for the first time in 553 at the Second Council of Constantinople. It was infallibly condemned by the unanimous consensus of the apostles and other true Church Fathers and thus condemned by the ordinary magisterium in AD 33 on Pentecost Day. And it was formally condemned by the solemn magisterium by Popes Pontian and Fabian in the 3rd century, by Pope St. Anastasius I in 400, and at the Second Council of Constantinople in 553,

which was confirmed in 680 by Pope St. Agatho. Hence from Pentecost Day, the Universal Salvation heresy has been condemned as heretical.

3/20/15 - Corrections to RJMI audio lectures:

- **Judgmental Francis of Assisi, Apostate Therese of Lisieux, and Americanism (Alr127, formerly Asr148)**

I removed the parts where I referred to Teresa of Avila as a saint. She was an apostate for not condemning the desecrations of Catholic places and for not denouncing Philip II for promoting the desecrations.

- **Politicians Bow to the Jews, and Mary Was Married before She Conceived (Alr124, formerly Asr139)**

I deleted most of the lecture and only 10 minutes remain. I removed the parts in which I taught that so-called popes who allowed the desecration of Catholic places with images that glorify philosophy or mythology or with images of immodesty or immorality were *suspect* of heresy or idolatry. The dogma is that they were *guilty* of heresy and idolatry.

- **An Explanation of Apocalypse 13 (Alr53, formerly Asr159)**

I corrected the parts where I said that Satan was unchained and the Great Apostasy began in the 14th century to Satan was unchained and the Great Apostasy began in the 11th century.

- **An Explanation of Apocalypse 9 (Alr52, formerly Asr159)**

I removed this whole lecture.

2/21/15 - Corrections to RJMI video and audio lecture:

- **Apostate SSPX Bows to Vatican II Church and Apostate Jews**

I deleted the heresy that sins of omission regarding heresy make offenders suspect heretics. The dogma is that sins of omission regarding heresy make the offenders *heretics*. I also deleted the part in which I said that those without the use of reason in the SSPX are in the way of salvation. The dogma is that they are outside the Catholic Church, not Catholic, and thus on the road to damnation. (See RJMI book *Damned Infants*.)

2/13/15 - New RJMI video and audio lecture:

- **Anti-Church Father Jerome**

The supposed saint and supposed Church Father Jerome was a heretic, idolater, deceiver, and liar. Hence he was an apostate and thus not Catholic, not a saint, and not a Church Father. He was an anti-saint and anti-Church Father. Here is a summary of some of his idolatries and heresies: 1) he was an idolater for glorifying pagans and their philosophies and mythologies; 2) he was a heretic for denying the Salvation Dogma; 3) he was an apostate for glorifying the apostate Origen; 4) he was a heretic for holding several of Origen’s heresies; 5) he was an apostate for glorifying the apostate Clement of Alexandria; 6) he undermined Daniel’s Seventy-Weeks Prophecy; and 7) he taught the error that the Holy Roman Emperor St. Constantine the Great was baptized on his deathbed and the calumny that he died as an Arian heretic.

1/29/15 - New RJMI video and audio lecture:

- **The Anti-Church Fathers and the Hellenization of Christianity**

Beware of Greeks bearing gifts! As Gentiles entered the Catholic Church, many of them were false or insincere converts. St. John said, "And every spirit that dissolveth Jesus is not of God: and this is Antichrist, of whom you have heard that he cometh, and he is now already in the world." (1 Jn. 4:3) Many of these false or insincere converts dissolved Jesus by mixing the Catholic God and Christianity with the gods and philosophies of the pagan Greeks. At first they were put down quickly. But their influence grew in the 3rd and 4th centuries. And when they were put down, they festered underground until they re-appeared in the 11th century when the Great Apostasy began. The most influential Hellenizers were so-called Church Fathers, such as Clement of Alexandria, Origen, Basil, and Jerome, who were actually apostates and Anti-Church Fathers. Indeed, these Anti-Church Fathers said some strange things! These strange things are heresies and idolatries that they picked up from the pagan Greeks whom they idolized.

1/29/15 - Minor revisions to RJMI books *The Desecration of Catholic Places* and *The Great Apostasy*:

- **Revisions:**

Replaced "St. Jerome" with "Apostate Jerome." When I have time, I will do this with my previous works.

In *The Desecration of Catholic Places* book, I replaced the word "siren" with "mermaid" because sirens are not the same as mermaids.
