Denunciation of Dermott Fegan

“It is like the sin of witchcraft to rebel, and like the crime of idolatry to refuse to obey.”
(1 Kings 15:23)

Dermott Fegan has been cast out of the catechumenate for the mortal sin of schism, for obstinately disobeying the Catholic Church’s laws and commandments and for denying the authority of Richard Joseph Michael Ibranyi as the sole ruler of the Catholic Church, whom he pledged to obey as such when he became a catechumen. Here is what pledged and consented to:

Consent Form for the Profession of Faith for the Days of the Great Apostasy

(record dates in the following format: mm/dd/yyyy)

I make this profession of faith for one of the following reasons (*check one*):

- 1) to become a catechumen
- 2) as a pre-requisite to be baptized into the Catholic Church
- 3) as a pre-requisite to be conditionally baptized into the Catholic Church
- 4) to enter the Catholic Church by it because I have previously been validity baptized
- 5) to reaffirm my faith as a member of the Catholic Church

On this day of 12/24/2022, I, Dermott Mary Joseph Fegan, consent to all the things in the *Profession of Faith for the Days of the Great Apostasy* (Version: 9-2022) composed by Richard Joseph Michael Ibranyi. Hence I believe that all the things that are not mentioned as allowable opinions are dogmas. And I believe that all the allowable opinions are allowable opinions even though I may not believe in one or more of the allowable opinions.

And I pledge allegiance to Richard Joseph Michael Ibranyi as the sole ruler of the Catholic Church in these days of the Great Apostasy, as long as he remains faithful, even though he is not a pope until the time that the Church has a pope, at which point I pledge allegiance to the pope. Therefore, until then, I pledge to obey him in all things dealing with the Catholic Church and faith, to respect him and be loyal to him, and to pay him tithes either directly or to a Catholic authorized by him.

The reasons for his schism, for his obstinate disobedience, are as follows:

- First and foremost, his Catholic duty to do the three pillars of prayer, studying the Catholic faith, and penance were woefully insufficient. This not only prevented him from not overcoming his mortal sins, but led him into even more mortal sins, and finally hardened his heart so that he no longer even acknowledged and thus never confessed some or all of his mortal sins.
- His desire to not do the three pillars sufficiently and to continue to commit mortal sins caused him to reject the authority and thus laws and commandments of the Catholic Church and, in turn, to reject my authority as sole ruler and the upholder of the laws and commandments of the Catholic Church.

On 5-27-2023, I spent about three hours with Dermott in which I told him about some sins he was guilty of, some of which were now causing trouble with members on the site.

1. He is guilty, time and time, again of making rash and unjust judgments against site members and was unjustly mean and nasty toward them. And he was vindictive regarding sins or faults of site members, by not forgiving and forgetting after the site members had confessed their sins or faults. Hence he does not forgive and forget when he should. "If you will not forgive men neither will your Father forgive you your offences." (Mt. 6:15) This caused a huge scandal, which if not corrected, can cause site members to leave and thus no longer want to become Catholic.
2. After he is justly admonished, he pouts and does not attend Lord's Day services; and at times, he has said that he wants "time out" or "time away" from the Chat Site and thus from Catholics, which is rooted in a rebellious spirit and is a schismatic attitude.
3. He is jealous and envious of others who are smarter than him, and part of this is because he himself does not read the Bible and study the faith as he should. "He that refuseth to learn shall fall into evils." (Prv. 17:16)
4. He is guilty of the mortal sin of idolizing his family members.
5. He is guilty for being ashamed of the Catholic faith by not wearing sacramentals or professing the faith when he should.
6. He is suspect of heresy for doubting God's justice in punishing and sending infants and children to gehenna.
7. And the root cause of all these sins is his obstinate refusal to do the three pillars of prayer, studying the Catholic faith, and penance sufficiently.

The only sins he acknowledged that he is guilty of are some of his sins of rash and unjust judgments and of being unjustly mean and nasty to some site members. He does not acknowledge the rest of his sins and thus has hardened his heart:

"But the house of Israel will not hearken to thee because they will not hearken to me, for all the house of Israel are of a hard forehead and an obstinate heart." (Ez. 3:7)

"And the prophecy of Isaias is fulfilled in them, who saith: By hearing you shall hear and shall not understand, and seeing you shall see and shall not perceive. For the heart of this people is grown gross and with their ears they have been dull of hearing and their eyes they have shut lest at any time they should see with their eyes

and hear with their ears and understand with their heart, and be converted and I should heal them.” (Mt. 13:14-15)

All this lead Dermott into schism when he eventually rejected my authority as sole ruler of the Catholic Church. After he refused to acknowledge his guilt and I then banned him from the Chat Site, he then sent me this message:

Dermott to RJMI (05/29/2023 8:37 PM): “OK you took me down off the site without counsel or conversation, then bombard me with the prospect of hostile allegations, how am I supposed to defend this spurious madness? But I know the stem of this. Look, I am ok with leaving now after this episode. But I will say this in return. I have no issue with anything you preach on the Catholic faith, it is sourced and defined and is legitimate and I promote it and defend it and always will, so that never was an issue with me. My issue is this though, I believe you are an ultimate authority on the Catholic faith and were given the graces and best credentials to uncover and define it like no other on earth in modern times. However, after this episode I feel I have no leadership, so perhaps that is not the dual role God has worked out for you, they are two different entities to me. The thought of despair and suicide has never pervaded my thinking EVER but I went on a full spiritual attack this last 2 days and I am trying to get over it. I am ok with being kept off the site until a leader emerges. I love you Brother Richard, and I sincerely hope we re-unite again under the same banner of Catholicism. Dermott.”

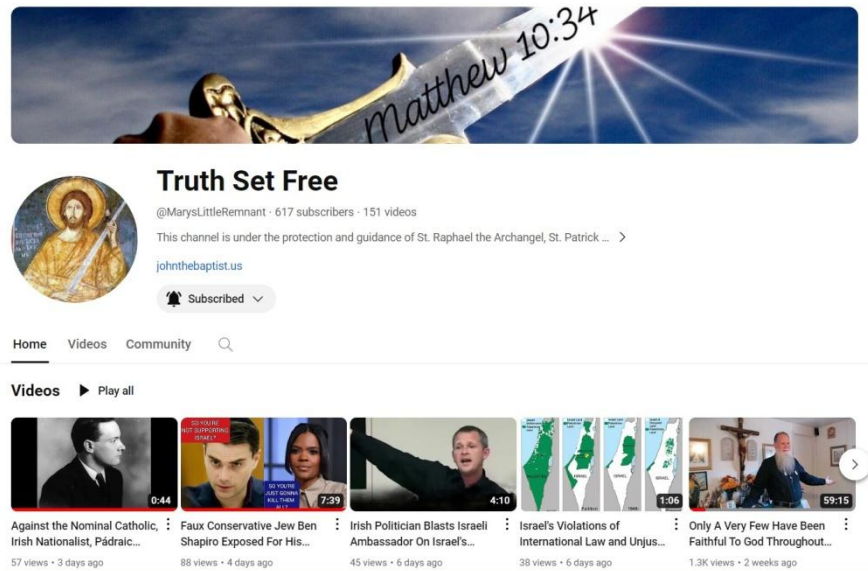

I will now dissect his schismatic statement.

- He no longer accepts my authority as a leader in the Catholic Church but only my authority as teacher of the Catholic faith. This is heresy because he has separated the teaching authority of the Catholic Church from the ruling authority of the Catholic Church. Hence he has created two Catholic Churches, one that has the authority to rule and one that has the authority to teach.
- By his looking for a new leader of the Catholic Church instead of me, he has rejected his solemn vow to obey me as the sole ruler of the Catholic Church and thus fell into open schism. No doubt, the new leader he is looking for will allow him to sin and sin boldly. He will allow him to neglect the three pillars, allow him to commit his mortal sins, allow him to harass Catholics and inquirers and endanger their souls, and even justify some of his mortal sins by saying they are not mortal sins and will even justify any heresy he may be guilty of by saying they are not heresies.
- When he says, “I sincerely hope we re-unite again under the banner of Catholicism,” he is again teaching the two-Catholic-Churches heresy. The one he belongs to with his leader and the one I belong to as its leader; and thus there will be two ultimate leaders in the Catholic Church.

In Dermott’s above message in which he separated himself from the Catholic Church, note his air of confidence as he rests comfortable in a state of damnation. That is proof that he has hardened his heart to the truth and holiness. If there is any hope for him, God will severely punish him. If not, God will either kill him or let him rest comfortably and confidently in a state of damnation until the day he dies and is dragged down to the fiery pit of Gehenna.

“If he will not hear the church, let him be to thee as the heathen and publican.”
(Matthew 18:17)

Lastly, he lists some of my works on his YouTube Channel titled “Truth Set Free” with the YouTube handle “@MarysLittleRemnant”. Since his schism, that channel is no longer under my supervision. Hence I cannot correct any heretical or otherwise erroneous comments by Dermott.
