

William Norris' Address to the T or C School Board Meeting (4/26/2023)

By William George Norris

Hello my name is William Norris and I'm here once again to protest the implementation of the new curriculum into this school district. As you know, I am a Catholic Evangelist and promote home school as the only way to educate children. The reason for being here is because we as a Church realize that in order to live more peacefully with our neighbors, it helps when the people in the community follow more closely the dictates of the natural law.

The main reasons for my objections to this curriculum is #1) Sierra is a Red County and this curriculum does not represent the values of the majority of the people who live here. And #2 it totally goes against the dictates of the natural law, promoting deviant behavior such as Sodomy and transgenderism with it's LGBTQ friendly classrooms and recommended reading to second graders such as "Pride, The story of Harvey Milk and the Rainbow flag" and let's not forget Kate Bornstein's book "My New Gender Workbook". Kate is a transactivist and writes about living with or without a gender. You can't make this stuff up!

Sierra is a rural County that supports a more rugged way of life and people know that when their children are indoctrinated with these "Santa Fe values" they will become effeminate and confused about their true roles that they were created to be.

For young girls this curriculum glorifies radical feminism by highlighting Gloria Steinem in the Savvas Kindergarten Social Studies edition of My World Interactive page 42. Then later in the book you have Bella the Builder telling young girls that not only is it OK to leave the home and work but to work a job that is totally foreign to your God given design of being a mother by becoming a construction worker. And lastly, you have more second grade recommended reading material like "Rad American Women From A-Z" by Kate Shatz that glorifies women like Angela Yvonne Davis who is a American Marxist and feminist political activist. These examples create in the minds of these impressionable girls, an aura of feminism so that women no longer want to have children and raise a family and follow their true motherly instincts.

In a County that voted for Trump 59% to 38% over Biden in the 2020 election this is a county values law and order. People know when you try and come in and implement a school curriculum that turns the natural order of things on its head, pretty soon law and order goes out the window.

With the aforementioned examples in mind, I ask that you truly represent the majority of people in this county and reject this new curriculum. For your only hope of Salvation please visit www.JohntheBaptist.us. Thank you.

For the glory of God; in honor of the Blessed Virgin Mary, St. Michael, St. Joseph, Ss. Joachim and Anne, St. John the Baptist, the other angels and saints; and for the salvation of men
